

Certification holder :

Kurt Obermeier GmbH & Co. KG

Product trade name :

KORASIT KS2

Use category :

Preventiv treatment

Formulation type :

Hydrosoluble
Concentrate

Users category :

Industrials

The CTB-P+ certification attests to:

- ✓ **The efficacy of the product** to prevent the attacks of the wood (or wood-based products) by biological organisms destroying or altering its appearance.
- ✓ **The validation** of the product / process couple.
- ✓ **The maintenance of the product quality** by regular technical audits of the manufacture and the control on the production site.
- ✓ **The relevance of the technical information** from the product supplier.

FCBA attests to the conformity of the product described above, under the conditions provided for by the general rules of the CTB mark and of the reference document of the CTB-P+ mark:

This certificate is based on constant supervision and cannot take into account the evolutions or decisions taken during its validity period.

The latest updates of the following documentation is available at www.fcba.fr and www.ctbplus.fr: The general rules of the CTB mark / the CTB-P+ mark reference document / the list of the certification holders / the lists of the certified products. This certificate only applies to products labelled with the certification mark logotype.

In case of dispute, only the French version of this certificate is the authentic text.
